Iskandar Property Census: 8 RTS Properties Under 15-min Walk To Hub In High Demand

23/11/2020 11:17 AM

JOHOR BAHRU, Nov 23 (Bernama) -- The Rapid Transit System (RTS) official launch on 22 Nov 2020 coupled with Budget 2021 allocation means all-systems-go and 8 freehold properties within 15-minute walking distance to the RTS hub will be in high demand.

Jerren Lai, Head of Research at Datamine Malaysia said, "The Iskandar Property Census 2020 Q3 Report singles out 8 freehold properties walking distance to the RTS hub that will have an added premium as Woodlands is earmarked as the third Regional Centre and largest Northern economic hub of Singapore."
